

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

Trenton, 1834

1 GORDON (Dr. Wm.) Rise, Progress, and Establishment of the Independence of the United States of America, including an Account of the late War, and of the 13 Colonies, from their origin to that period. 4 vols, 8vo, *maps and plates, whole calf*. 18s 1788

2 ——— Another Edition. 3 vols, 8vo, *neat*. 14s New York, 1789

Dr. Gordon went to America in 1770, and remained there until 1786, and wrote a considerable part of his work on the spot. Congress allowed him the inspection of such records as could with propriety be submitted to the perusal of a private person. Washington, Gates, Green, Lincoln, and Otho Williams, also allowed a liberal examination of their papers. "The accounts here given of American Affairs," says the author, "are so different in several respects from what have been the conceptions of many on each side of the Atlantic, that it was necessary to insert a variety of letters, papers, and anecdotes, to authenticate the narrative."

1 GOSSE's (P. H.) Canadian Naturalist. Post 8vo, *many woodcuts; neat half calf*. 6s 6d 1840

- 1038 HARTLEY (David) when Minister at Paris for the Treaty of Peace. *Very long and interesting letter, in Hartley's own autograph, 16 closely written pages.* 4to. £3. 3s

This letter, most important in its objects and opinions, was written to Lord Sydenham, the Secretary of State for Foreign Affairs, as appears by the copy contained in the Hartley correspondence. It enters very fully into the subject of the principles and prospects of the United States, and the danger of Great Britain in the continued friendship between them and France. He suspects France is intriguing in this matter, and refers to the Marquis de la Fayette's visit to America without reason given, and describes his interview with Monsieur de Vergennes, quoting his words. Several pages are occupied on the subject of the British and American marine, and the ultimate destiny of the United States is forcibly pointed out. The letter is altogether a most masterly production, and events have since shown how truly Hartley prognosticated.

74 HUTCHINSON (*Governor Thomas*) and OLIVER (Andrew) Copy of Letters sent to Great Britain, by Gov. Hutchinson, Andrew Oliver, and others born and educated among us. Which original Letters have been returned to America and laid before the House of Representatives of the Province. In which the judicious Reader will discover the fatal source of the Confusion and Bloodshed, etc. 8vo, *very scarce.* £1. 5s *Boston*, 1773

These are the celebrated letters written in 1767, '68 '69, which mysteriously found their way back to Boston, it is supposed through Dr. Franklin, and brought matters to a crisis there. Nothing except the "Tea Party" ever created a greater political sensation in Boston, or more speedy results than the publication by authority of the General Court of these letters.

75 ILLINOIS in 1837, a Sketch descriptive of the Situation, Boundaries, Productions, &c., with Letters from a Rambler in the West. 8vo, *maps, boards.* 3s 6d *Philadelphia*, 1837

- 1838 PHILOPONO (Fr. Don Honorio) Nova Typis transacta Navigatio Novi Orbis, Indiæ Occidentalis. Folio, *engraved title and fine plates by Kilian, half russia*. £2. 2s 1621
- 1839 PHILOPONO.—ANOTHER COPY, folio, *with frontispiece, no plates, also wanting the last leaf, boards*. 12s 1621
- The name of Philoponus is a pseudonym, the real name of the author being *Caspar Plautus*, the same to whom the work is dedicated in a most fulsome and commendatory preface. A grosser piece of literary impudence is scarcely to be met with. The author was a monk at Lintz; he handles the old fathers of American History without gloves, and in turn is so treated by Winckelman. He calls the Brothers De Bry liars. Some of the plates are curious: the engraved title contains portraits of St. Brandon and Father Boyl, the latter of whom accompanied Columbus on his second voyage.—*Henry Stevens*.
- 1840 PHILOSOPHICAL TRANSACTIONS, 1736, containing Capt. Middleton's Observations on a Voyage to Hudson's Bay; also, on the Effects of Cold, and the Longitude, Latitude, and Declination of the Magnetic Needle at Prince of Wales's Fort, Churchill's River, Hudson's Bay. 4to, *neat* (from Capt. Middleton, Richmond, 28th October, 1737). 4s

Mando que D. Alonso restituyessi 151807 pesos que se Presu-
puso avia Percibido de mas en los Salarios de la Residencia que
tomo a Don Francisco. Folio, *title mended, extra boards.* 7s 6d
(1660)

- 937 **RAINE** (Rev. John, *Vicar of Blyth*) The History and Antiquities
of the Parish of Blyth, in the Counties of Nottingham and
York, comprising Accounts of the Monastery, Hospitals, Chapels,
and Ancient Tournament Field, of the Parish of the Castle and
Manor of Tickill, and of the Family Possessions of De Buili, the
First and Norman Lord thereof, together with Biographical Notices
of Roger Mowbray, Philip of Olcotes, Bishop Sanderson, John
Cromwell, and others, with Appendix of Documents, &c. 4to,
plates and pedigrees, cloth. 15s (original price £1. 6s)—**LARGE**
PAPER, royal 4to. £1. 5s 1860

To Americans this volume will prove of great interest, as it describes the
localities of the birth-places and residences of Brewster and Bradford, two of
the most prominent of the "Pilgrim Fathers." The late Rev. Joseph Hunter
was the first to point out these places in his "Collections on the Founders of
New Plymouth" (pub. in 1854, price 8s., see No. 1,847), "and hence," says Mr.
Raine, "it is that educated and accomplished men from America are perpetually
visiting with feelings of deep filial affection and veneration the villages of
Austerfield and Scrooby." To the copies issued by J. R. Smith an extra print
has been added of "a View of the present state of the Archiepiscopal Palace
at Scrooby, the residence of William Brewster, the 'Pilgrim Father.'"

- 38 **RALEIGH** (Sir Walter) Discoverie of the Large, Rich, and Bewti-
ful Empire of Guiana, with a relation of the Great and Golden
City of Manoa (which the Spaniards call El Dorado) and the
Provinces of Emeria, Arromaia, Amapaia, and other Countries, with
their Rivers adjoyning. Performed in the yeare 1595. 4to, *fine*

- The soil about Puerto Seguro (and very likely in most parts of the valleys), is a rich black mould, which, as you turn it up fresh to the sun, appears as if intermingled with gold dust, some of which we endeavoured to wash and purify from the dust; but though we were a little prejudiced against the thoughts that it could be possible that this metal should be so promiscuously and universally mingled with common earth, yet we endeavoured to cleanse and wash the earth from some of it, and the more we did, the more it appeared like gold; but in order to be further satisfied, I brought away some of it which we lost in our confusions in China.—Page 400, 401.
- 07 SHEPARD (Thomas) Parable of the Ten Virgins, opened and applied in Divers Sermons. Folio, GOOD CLEAN COPY, *in old calf.* 10s 6d 1660

Paris, 1801

" 'Weld's Travels in America,' passed through several editions, and was translated into various European languages—twice into German; and, in short, the book was regarded as the great authority of the period on American

subjects. The travels extend over three years, 1795—7, and embrace a very large portion of the United States and Canada. In fact there can be no question that the colonization of Canada was mainly promoted and influenced by this book."

"Accompanied by a faithful servant, Mr. Weld, sometimes on horseback, sometimes on foot, or in canoe, made his way through vast forests, or along rivers or lakes; narrowly escaped shipwreck on Lake Erie, and experienced all the adventure incident to passing through an unsettled country, while in the cities and towns he mixed in the best society, and had the honour and pleasure of knowing Washington."

- 2472 WELD (C. R.) The Search of Sir John Franklin. 8vo, map, cloth. 2s 1851
- 2473 WESLEY (John, M.A.) Narrative of the late Work of God at and near Northampton, in New England, extracted from the Rev. Jonathan Edwards's Letter to Dr. Coleman. Post 8vo, half morocco. 3s 6d 1798

1774
- 25,018 **LETTERS** of Governor Hutchinson and Lieut. Gov. Oliver, printed at Boston, and remarks thereon, with the substance of Mr. Wedderburn's Speech. 8vo. 3s
1774
- 25,019 **LETTERS** from a Farmer in Pennsylvania to the inhabitants of the British Colonies (*by Dickinson*). 8vo. 2s
1774
"My Lord Hillsborough mentioned the Farmer's Letters to me, said he had read them, that they were well written, and he believed he could guess who was the author, looking in my face at the same time, as if he thought it was me. He censured the doctrines as extremely wild, &c. I have read them as far as No. 5; I know not if any more have been published. I should have thought they had been written by Mr. Delancy, not having heard of the others you point out as joint authors; then follow some remarks, and, giving his opinion that the British Government should make no Laws at all for the Colonies, and recommending a relationship similar to that of Scotland before the Union.—*Franklin's Letter to his Son, Memorica, vol. iii. p. 206, March 1768.*
- 25,020 **LETTER** to a Member of Parliament, on the Present unhappy dispute between Great Britain and her Colonies. 8vo. 2s
1774
- 25,021 **LETTER** (A) to the Earl of Chatham on the Quebec Bill. 8vo. 3s
1774
- 25,022 **LETTER** to Sir W. Meredith in Answer to his Letter to the Earl of Chatham (on the Quebec Bill). 8vo. 2s
1774
- 25,023 **NEW ESSAY** (By the Pennsylvanian Farmer, *i.e., John Dickinson*) on the Constitutional Power of Great Britain over the Colonies in America. 8vo. 2s
1774
